

How do I pay for an excursion on Compass?

Simply:

1. Login to your Compass portal (mobile app or web), and view your home page. When an excursion requires consent/payment, a notification will appear here.
2. Click on this link to be redirected to your *Action Centre*, where all upcoming events/excursions requiring parental/guardian action will automatically display.
3. Click anywhere on the desired event's line to open the consent/payment section.
4. Fill in the fields provided. To pay specifically, select saved credit card details from the dropdown menu available, or add a new credit via the 'New Credit Card' option.
5. Once completed, select *Proceed*, to submit your payment for processing.

Friendly Note: Currently, only VISA or MasterCard payments are accepted by Compass.
