Camp Australia Epping Primary School OSHC – August Newsletter

Dear Parents,

We hope everyone is staying safe and well. Here at Epping OSHC it has been a really busy month with A&R (Assessment and Rating) process. An authorised officer from the Department of education came and did an audit of our service meanwhile observing our practices. We received some great feedback and look forward to receiving our rating and final report.

This month children have been scaffolding on their strength areas as we planned activities based on their requests. We started term 3 with learning wool stitching, then we explored our curiosity in Science and along with that we discovered that we have a future master chef in our OSHC.

What's been happening?

The children learned to stitch with wool as they applied their skills of problem solving and experimentation. Some of them extended their interest by writing their woolen names on their handbag. The children loved the experience and gave feedback to include more stitching activities in our program.

Based on Gio's wish list we experimented with a few recipes from CA cookbook and we observed that Gio has a special talent of cooking and it boosted his confidence. The parents gave feedback that he tried the OSHC recipes at home and everyone in the family liked them.

Newsletter

We also engaged in helping School community by pulling weeds out from the school Vegetable patch . The children felt the sense of responsibility towards their environment, and they also learned about the vegetables that grow as roots.

What's coming up?

Little book worms:

We will be celebrating book week with lots of fun literacy experiences. These activities will occur in the week of 22nd-26th August. Join our little Bookworms Read-a-thon and we will donate \$1 to the Indigenous Literacy foundation for every book your child reads.

Superhero Week :

For all our adventure lovers we will be having super hero fun experiences occurring in the week of 5th-9th September. Join us and explore the hidden superhero in you.

Unti next month
